

## Murray Bridge Show Horses in Action 2009

The inclement weather did not deter over 200 competitors from across South Australia and Victoria attending the horses in action section of the 2009 Murray Bridge Show.

Saturday's events featured young riders and local competitors in the topsy and encourage hacking. Riders as young as three had the opportunity to participate in this ring and despite the weather competitors were all smiles.

The feature event of the day was the Sprint Auto Parts Pony and Riding Club Teams event. Entrants from Murray Bridge, Mt Pleasant, Kangarilla, Pegasus and Strathalbyn entered hacking novelty and showjumping events to see which club had the best all round team. The closely fought event saw Mt Pleasant win for the second year in a row by only one point from Murray Bridge.

The Prydes Easifeeds individual all rounder was won by Kimberly Charles and her Mount Tsunami who won both the ridden mount and rider classes and placed in the Novelty and Showjumping Knock out Stakes.

Murray Bridge rider Demi Marsden out ran all others to win the Knock out Stakes in her first show jumping event, demonstrating the importance of the show in developing future competitors.

Sundays program included dual EA hack rings and a full program of led events with local riders again having great success Danni Jolly Blackett and Wynara Touch of Bronze, a pony bred by her mother and broken in and educated by Dani won supreme champion of the Show. Australian Saddle Pony events were dominated by locals with champions going to Sharon and Amy Cockburn, Glenmarvi Stud and Tracy Hill.
